

GAMETRAQ

REVOLUTIONIZE YOUR GAME & CLUB

Why choose GameTraq?

1. **Unlock multiple income streams for your club**

Players can subscribe to get game videos and AI insights, bringing in extra revenue for your club. While also increasing your players longevity at your club.

2. **Build a greater community**

With cool features like watching ball rallies at the TV after the game and viewing their stats with friends is reasons why players hang out more at the venue, which means higher chance to sell beverages at your bar area.

3. **Enhancing the user experience**

Players at your club will get access to AI insights and data how much they run, error shots, heat-maps, zone-maps, ball possession per player and more. Make a game within the game for your padel players.

// WHAT DOES THE CLUB GAIN?

GAMETRAQ

Unlock multiple different income streams for your club

- **Higher Court Fees/Revenue share model**

Have a premium pricing with pro stats & match videos on your courts or get revenue from our revenue share model from the AI analytics

- **10–15% More Bar Sales**

Players stay longer to watch their stats and highlights.

- **Free Marketing**
